In accordance with Article VIII, Section 2 of the Club bylaws, notice is hereby given to all members that another Special Meeting will be held at 10:00am on Tuesday, November 6th at Mitchell Field at the Red Morton Complex in Redwood City to vote on a proposed change to the bylaws. The primary purpose of the proposed change in the bylaw is to enable players turning 50 in the following calendar year to join the Club and play in the Winter League during the current year.

## New Club Caps

As you probably have noted, the new Club hat is being widely and proudly worn by many of our Club members. This high-quality, adjustable cap, with a new Club logo is still being sold to members for only \$5. Thus far, we have sold nearly 200 of the caps - some of which have become part of the permanent uniforms worn by our Club-affiliated teams in the various tournaments. The hats can be purchased from George Stallos during daytime play at Mitchell Field. If you are not able to come to Mitchell Field during the week, give George a call at 650-348-4134 and he will make arrangements to get the cap to you.

## 2001 Club Christmas Party

Be sure to set aside the evening of Friday, December 14th for the Club's annual Christmas Party. This year's party for members and guest will be held at the Highlands Club in Redwood City and will include a catered dinner, a cash bar, and live music for dancing. Details of the Christmas Party and the sign-up form will be mailed to all members in late October. If you are able to help out with the Party events, including decorations, bar arrangements, etc., please let George Stallos know.

The playing conditions at Mitchell Field continue to be improved, thanks primarily to the hard work and generosity of two of our Club members - Mel Rankin and Gene Lind. They arrive early during the week to prepare the field for play. This extraordinary effort is greatly appreciated and if you have the opportunity, please be sure to thank Mel and Gene personally for making daytime play at Mitchell so enjoyable.

*Gene recently rebuilt a garden tractor and donated it to the Club for use in dragging and preparing the field. We thank Gene for his generosity and the exemplary support he always has provided the Club.*
